

## Language Corpora: Latgalian

prof. Sanita Martena, Rezekne Academy of Technologies, Latvia

Baltic Studies at a Crossroads. The 28th Conference on Baltic Studies

May 26-29, 2022, Seattle

ERDF co-funded project "Funding of international projects in research and innovation at Rezekne Academy of Technologies"

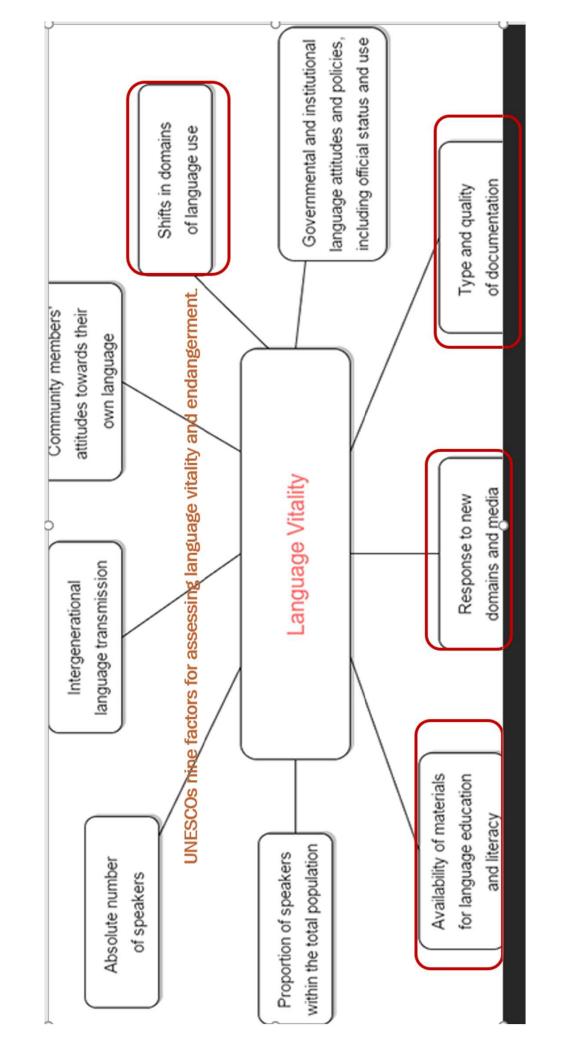

#### LATGALIAN

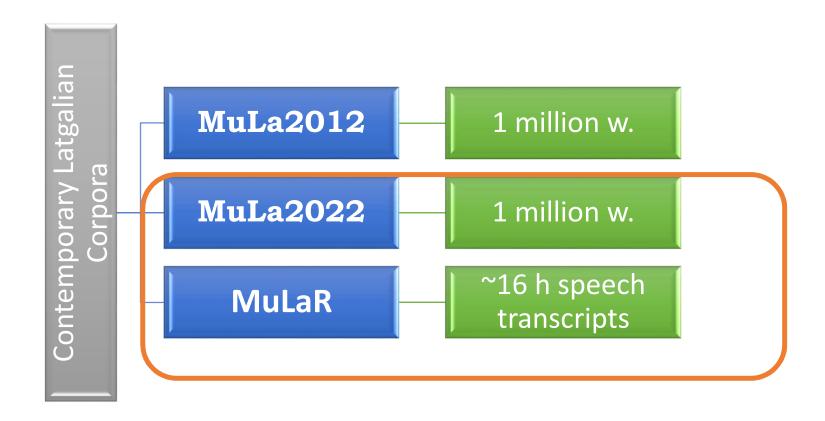

### Latgalian – Baltic variety closely related to Latvian

- officially recognised as "historical variant of Latvian"
- from a perspective of European languages, it may be classified as a regional language similar to e.g. Kashubian or Low German
- by ISO classification one of two written varieties alongside Standard Latvian under the umbrella of the Latvian language

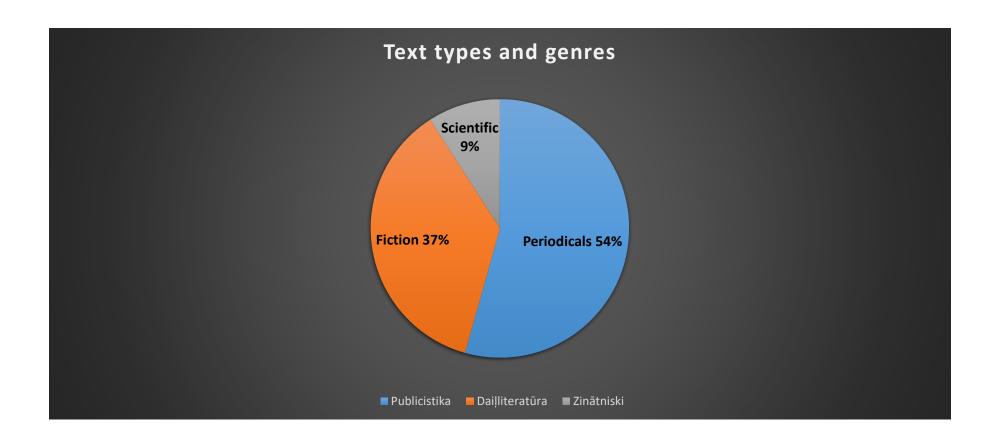

#### Current Work on New Latgalian Corpora
